### Why the "Y" Generation?

Hmm, I've always wondered about this. Now I know.  
The "Silent" generation - people born before 1946.  
The "Baby Boomers" - people born between 1946 and 1959.

Generation "X" - people born between 1960 and 1979.  
Generation "Y" - people born between 1980 and 1995.  
So why do we call the last one generation "Y"? I did not know, but a caricaturist explains it eloquently below.
